

JASMIN TOWERS

the good life aroma

Jasmin Towers is two separated blocks towers.

Each block has 11 floors with two apartments of about 220m² on each landing. Situated in one of the most exclusive area of Beirut on United Nations Street in Ramleh Bayda at a walking distance from S.T.C. Plus & Spinneys Malls. The site offers easy access to the main artery connecting Beirut to International Airport as well as to the city's down town while retaining its setting with peaceful Ramleh area.
